Structure of SS (HKDSE) Music Curriculum

The SS (HKDSE) Music Curriculum has been fine-tuned and it is to be implemented from Secondary 4 in 2024/25 school year and the 2027 HKDSE Music Examination. The new Music Curriculum comprises only Compulsory Part. Students are required to take all three papers in the Compulsory Part. Details are as follows:

Paper 2 : Performing (30%)

- Part A : Ensemble Performance (15%)

Paper 3 : Creating (20%)

Collaboration among participating schools & ATEC concerning **external assessment**

According to the Hong Kong Examinations and Assessment Authority (HKEAA), there will be **external assessment** on HKDSE Music Paper 2 (Performing) Part A. It consists of making video recording of the followings :

(a) Ensemble performances;

(b) Oral presentation.

Video recording of the ensemble performances together with the oral presentation has to be made and submitted by students' own schools to HKEAA for **external assessment**. Liaison teachers of participating schools are responsible for administering such recording and submission of required materials to HKEAA. Liaison teachers of participating schools play a vital role in students' pursuit of the HKDSE Music Curriculum. Each participating school must assign a liaison teacher for coordinating matters related to ATEC's Music Classes.

There will be no School-based Assessment (SBA) for HKDSE Music Examination.
